How can creating space for outdoors activities enhance the services of the library and our community?

How will this space best serve the entertainment, recreational, and educational need of our community?

Join us for a conversation to enhance our services by adding a music sensory garden for all ages to enjoy; a place for quiet contemplation and a place for artistic creativity. Your input will help guide the library in future services and events.

The Chatham Branch of the Jackson Parish Library has been awarded a \$10,000 grant to provide accessibility to the library. Join us Thursday, January 11, to discuss the creation of a music and butterfly garden that is accessible to all, to be enjoyed by all! Only three libraries in the state of Louisiana received this grant and your Jackson Parish Library is the recipient of two of them!
